Re: Fire Water Tank, Canyon Fuel Company, LLC, SUFCO, C/041/002-AM01D, Outgoing File

Dear Mr. May:

The Division received an application to add a 300,000 gallon fire water tank on October 23, 2001. We anticipate completing this review by November 2, 2001. Steve Demezak has been assigned as the Lead on this project. Copies are being forwarded to the Bureau of Land Management and the U.S. Forest Service for their review and concurrences.

If you have any question, please call Steve at (435)-613-5242 or me at (801) 538-5268.

Sincerely,
